Presumably the increase in cash last week would have been greater and probably considerably in excess of the estimates but for transfers of important amounts to Washington for the re-enforcement of the 5-per-cent redemption fund. This week the cash will be augmented by transfers hitherto of more than \$1,000,000 Japan gold from San Francisco, and also by the current set receipts of money from the interior. It appears evident from the week's statement that there is little prospect of immediate relief from the congestion in the local money market. Comparisons of Jones show that six banks guided \$11,00,000 net. the increase by seven banks was \$2,00,000 net.

Wainwright, who rode him, was pulling him up at the finish. The steeplechase was won by Wachusett in handy fashion. He was 10 to 1 and was ridden by Ford. Harrow was

second and Broadway third. In the mile race for gentlemen riders, Bluish, ridden by Mr. Lucas, won. To the rider was tendered a great evation when he returned to the judges' stand after the race.

Manager Carmody complimented the young man and presented a handsome pair of field rinssee to him.

Bluish was favorite and was never better than \$ to 5. The Irish Boy, ridden by Captain Colloride of the Italian Army, fan second. Billie Gaine was third.
The steeplechase proved a very interesting event, and though there were two falls peither horse nor rider was injured. Gum Honey and Harrow were coupled in the betting as the Daly entry and the entry was an odds-on favorite. Gum Honey, regarded as one of the best jumpers in the country, made a very poor showing, but the reputation of the stable was in a measure sustained by Harrow, who was only benten in the final run on the fiat by Warhusett by a small margin.

REPUBLIC SPECIAL. Cincinnati, O., June 25.—Before a large crowd, numbering about 6,000, the Cardinals and the Reds clashed to-day in the first game of the series, and the Reds won

with ease Even the most prejudiced knocker cannot figure where the visitors had a chance to win, although they played a fast, snap-

py game. The only misques made by the Cardinals were made by Corbett. Manager Kelley got back into the gams to-day, and he and the old-time favorite. "Eagle Eye" Jake Beckley, received a great ovation upon their first appearance, but in hand, at the plate. Beckley immediately lined out a beauty of a single, and

as a consequence received another round of applause; The Reds were the first to score. They secured three runs in the second inning on a triple by Seymour, Steinfeldt's punk fly to short right, which was out of reach of Farrell or Shannon, Corcoran's line single to center, and Peltz's slashing threebagger. Peltz scored the third when Harper thumped the hide for a base.

CARDINALS SCORED TWO RUNS. In the fourth the visitors scored their
